REPORT OF SCHOOL BOARD.

The School Board of Moultonborough submits the following report:

There have been thirty-one weeks of school during the year, except at the Center Harbor and Lower Neck Schools which, on account of sickness, had only thirty weeks. The schools have been very satisfactory for the year until near the close of the fall term when there was so much sickness it was thought best by the Board to close them all, the attendance being very small.

In accordance with the law, we present to the selectmen estimates for the ensuing year, as follows:

High school tuition,	\$150.00
Text-books and supplies,	100.00
Repairs,	200.00
	<hr/> \$450.00
